

Nitrile **PINK** Examination Gloves

With **ALOE VERA** TO SOOTHE & MOISTURISE YOUR SKIN

The Medical Choice Pink Nitrile Gloves with ALOE VERA 100/Box, are a versatile solution for multiple industries. These gloves provide reliable protection and comfort, making them perfect for hospitals, dental clinics, laboratories, cleaning services, hotels, cosmetic facilities, and the food industry.

Crafted with precision, these gloves are designed to offer durability and chemical resistance. They ensure the safety of healthcare professionals, dental practitioners, and laboratory technicians. The inclusion of Aloe vera adds a moisturising touch, keeping your hands soft and comfortable even during extended use.

Medical Choice Nitrile gloves, using rigorous sourcing and testing to ensure that every Nitrile from our suppliers is up to Medical Choice standards. Our Nitrile examination gloves offer added value to users in terms of “comfort & elastic feeling” as well enhanced protection against chemicals, and have been tested for resistance to chemotherapy drugs (ASTM F739)
